

# RENU 28™

## Revitalizing Redox Gel

RENU 28 Revitalizing Redox Gel harnesses the power of redox signaling technology in a light, fast-absorbing gel designed to support healthy cell renewal. This whole-body skin therapy works to add smoothness, even texture, and revitalize skin health.

### Directions

Everyone can benefit from this whole-body skin therapy product. Use morning and evening as part of step two of the RENU Advanced anti-aging face care system. Shake well.

### RENU Advanced Story

Everyone is born with smooth, resilient skin. Your cells provide the “fingerprint” for this original health and beauty. These youthful skin cells renew quickly and consistently. Over time, healthy cell renewal slows dramatically. The result is visibly aging skin.

### Get Your Best Skin Back with RENU Advanced

This exclusive product line combines ASEA’s patented redox signaling technology with healthy, anti-aging ingredients to help skin bounce back to its best.

### Active Redox Signaling Molecules are the Key

ASEA’s proprietary process produces life-giving redox signaling molecules. These molecules support communication at the cellular level, improving the healthy, youthful appearance of skin.

This product contains ASEA’s breakthrough redox signaling molecules.

80 mL / 2.7 fl. oz.

Pricing can be found in your Virtual Office library.

## Immediate Benefits

Supports healthy circulation within minutes that may last for hours.

## Proven Results

Independent studies conducted by Dermatest® and Stephens & Associates®.

RENU 28 Revitalizing Redox Gel has earned Dermatest's coveted 5-star clinically tested seal, its highest possible commendation for safety and efficacy.

RENU 28 Revitalizing Redox Gel is produced in an FDA-registered, NSF-certified facility and is certified by an independent third-party lab to contain active redox signaling molecules.

## Ingredients

Aqua/Water/Eau, Sodium Magnesium Fluorosilicate, Sodium Phosphate, Sodium Chloride.

## Caution

For external use only. Avoid contact with eyes. If skin irritation occurs, discontinue use. Keep out of direct sunlight.
